HAVERLY

CAPABILITY STATEMENT

OCTOBER 2026

Independent housing finance advisory for local government

We structure funding, test viability and stabilise budgets so councils can deliver more homes with less risk.

SERVICES

Advisory Partnership

Unlimited, on-demand access to housing finance specialists through one annual subscription. No per-query charges.

Finance Business Partnering

Experienced partners embedded in your service teams to challenge assumptions and drive better decisions. Interim or long term.

Financial Appraisals

Independent investment appraisals that stand up to scrutiny committees, auditors and government funders.

Financial Reviews

A fresh technical look at policies and treatments to find recurring savings. MRP reviews alone have delivered six-figure annual savings for some clients.

Project Management

Structure and discipline for funded capital programmes, from Outline Business Case through to grant drawdown.

Training and Development

Practitioner-led seminars, in-house sessions and webinars, designed around your team's needs.

SELECTED WORK

GUILDFORD BOROUGH COUNCIL

£467m Weyside Urban Village

Guildford Borough Council brought us in to replace a Big Four firm as finance lead for its Weyside Urban Village regeneration programme.

WAVERLEY BOROUGH COUNCIL

Appraisals for new council homes

We provide Waverley with detailed, independent development appraisals that strengthen the business case for delivering new homes on council-owned sites.

PORTSMOUTH CITY COUNCIL · ONE PUBLIC ESTATE

From housing depot to new homes

Gosport faces particular challenges around development viability. In a One Public Estate commission from Portsmouth City Council, we helped Gosport Borough Council find new ways to turn its old housing depot into new homes.

WESTMINSTER CITY COUNCIL

368 Institutional funding for temporary accommodation

A 42-year institutional funding solution that enabled Westminster to acquire 368 homes it previously leased for temporary accommodation.

CITY OF WESTMINSTER PENSION FUND

£50m Pension fund sale and leaseback

A £50m sale and leaseback between Westminster City Council and its own pension fund, releasing capital from 124 temporary accommodation properties.

CLIENT FEEDBACK

> “Haverly Consulting has provided ongoing financial support to Guildford Borough Council including financial modelling and analysis, ongoing cashflow management, submission of Housing Infrastructure Fund (HIF) grant claims, and preparation of viability appraisals. This work has been fundamental to the development of the scheme.”
>
> Assistant Director of Regeneration and Economic Development, Guildford Borough Council

> “The team at Haverly Consulting Limited has consistently delivered high-quality services. Their independent reports have strengthened our business cases for investment, enabling us to advance the delivery of new homes on Waverley-owned sites and confidently appraise acquisition opportunities.”
